"But there is a price - injuries.
There are a lot of injuries and an
increase in risk means an increase
in injuries. Beginners are most at
risk. Younger beginners will be in-
jured and some will be killed."

CHAOS QUARTER ACTION

A couple of Years ago I used to have a $\frac{1}{4}$ pipe.
It fit into the BACK of my VAN. It Ruled!
We used to set it up on SATURDAYS in this parking lot.
A lot of GOOD sessions happened on that ramp.
The ramp is GONE now But not forgotten. It
WAS OUR FIRST Ramp!!!

ABOVE: The ramp set up against the
RIPPER VAN the VAN WAS A '64 FORD.
Below: Was getting a little "GOIN"

HEY BRAIN! IS THIS REAL
NO PADS SKATING? HA! HA!
/ YOU SUCK.

Foot plant ON YOUR FACE
YOUR BRAINS SLATTERED ALL over the place.
PRESSURE DROP ON YOUR HEAD.
RIP YOU APART till you are post and
metal to flesh in a BACKSIDE GRIND
FROM YOUR NECK DOWN YOUR SPINE.
EXTENDED FRONTSIDE ROCK AND ROLL
